

The 8th Annual Race to Read Program at LAKE ERIE SPEEDWAY

Race to Read Program begins March 29th, 2010!

Available for all elementary schools

Individual grade levels or entire schools can participate!

Students will be required to read an average of 15 minutes a day for a four-week period. The program will run from March 29th to May 10th (a 6 week period). It is up to the teachers to determine the amount of time to be read by the individual students each day or week. For example, if your school has a test or a vacation week, you could skip that week for required reading and continue the following week. You could also choose to do all of the reading in the first four-weeks or the last four weeks of the program. The most convenient method for the school/students will qualify for the program as long as the basic requirements are met.

All students participating in the program will receive the following:

- Four (4) FREE tickets to the Saturday, May 29th "Race to Read Night" at Lake Erie Speedway
- A Schedule Magnet from Lake Erie Speedway
- A Schedule Bookmark from Lake Erie Speedway (each bookmark contains an additional two (2) free tickets to select event dates)
- A picture of a race car to color and hang up in the classroom or school

All participating schools will receive the following:

- An appearance at the school with a race car driver and a Lake Erie Speedway race car including a presentation about driver safety and the importance of reading.
- An autograph session for the kids can be included depending upon the size of the group.
