Additional \$20 for additional classes

Spectator Admission \$10, 12 and under are Free

Registration (check in after you enter pit area so you are in the heat line ups) will close at 11:00am

*****All Competitors Must Register**

Green flag for Hot Laps 11am

Heats races follow Hot Laps

Feature Races follow Heats

**Times Listed are subject to change

- Hot laps will be mixed divisions just for timing purposes
- After competitors register, we will shake the entries for the first heat race line up. The second heat race line up will be inverted from the first heat finishing order.
- Each division will get two heat races- 3 laps each
- Feature races will be capped at 12 vehicles if we have enough competitors to break into two features per division we will. If we are stuck with 13 in a division, we will start 13.
- Feature races will be 6 laps each
- Feature line up will be a heads-up start based on the heat race finishing average.
- Starts: Starts will be standing. Everyone one-line across Pole position (inside vehicle). If we need more then we will make a second row. Flagman starts the race (Green Light).
- Watch lights around the track and corner flagmen for cautions/red flags- In case of a red or yellow flag the restart will be lined up from the last green flag lap minus vehicles in the caution or red.
- Flags that will be utilized: Green Flag (Race), Yellow Flag (Caution), Red Flag (Stop), White Flag (One lap to go), Black Flag (Disqualified from Race), Checkered Flag (End of Race). If there is a caution or red flag on the white flag lap, we will have a green-white-checkered finish.
- There will be zero rough driving or speeding through the pit area. If you are caught doing either of these, you will be asked to leave the event.
- If your Snowmobile, ATV, or UTV is moving around the pit area or on the track your helmet must be on.
- No one besides Safety personnel and track workers are allowed on the racing surface
- All Snowmobiles, ATV's, and UTV's must go through safety tech and check in with the line up officials before they go out for hot laps or for racing
- All vehicles will need a transponder and race bib to compete. Transponders and race bibs will be given at the tech/registration building (Red Barn)- Transponders and race bibs must be handed in after the event.
- Racing order will be Vintage Snowmobiles, All other Snowmobile Classes, ATV's, and then UTV's. The exact order of classes per group will be based on entries.
- Classes/Age Groups may be mixed if we lack enough entries for a race
- Competitors are not allowed to drink alcoholic beverages until after their last race. Anyone that is caught doing otherwise will be kicked out of the event
- **FUEL WILL NOT BE AVAILABLE**
